Page 29 of Record

This day surveyed by the direction of the Supervisors of the Town of Avon the Road to Wit; beginning on the town line at the corners of sections 25 and 36 thence running West on the section line 56 chains thence North 74 and a half° West fifteen chains and fifty links thence North 37¼° West 16 chains thence North fifty four degrees. West thirteen chains and eighty links thence North twenty eight and one half degrees, West seventeen chains and seventy links, to the South East corner of the South West quarter of the North West quarter of Section 26; thence 20 chains to the center of the North West quarter of said Section, thence North forty nine degrees. West twenty one chains and 72 links to the quarter post North side of said Section 26, thence North on the quarter line twenty chains to the North East corner of the South East quarter of South West quarter of section twenty three., thence west on the half quarter line one hundred and twenty chains to the South West corner of the North West quarter of the South West quarter of Section twenty two thence North to the Section line sixty chains to the corner of Sections fifteen, Sixteen, twenty one and twenty two.

The said courses and distances are the center of the road. Variation of the magnetic needle 6½° East. Given under my hand the 5<sup>th</sup> day July 1854.

Peter Mc Vean Surveyor

We the Supervisors of the Town of Avon do certify that the within survey is a correct discription of the above discribed road according to our order that we have established the same as such highway.
