The undersigned does hereby petition that a private
roadway be laid out of two rods in width described
as follows.

Commencing in the center of the highway running from
Emerald Grove to Johnstown, and one rod North Easterly
from the South East Corner of land owned by John
Cummings to wit: 20 chains 38½ links North Easterly
along the center of said highway with the Racine and
Janesville Highway and running; thence westerly along
and one rod distant from the South line of said John
Cummings land until it intersects a private road
belonging to David Jones, the distance being about
