Survey of the continuation of the road running from the State line North through the middle of the second _____ of Section East of the Range line between Range 13 & 14.

Commencing at the termination of said road at the Milwaukee and Beloit Territorial Road and running North through the center of Section No. 8 and five and 32 until it strikes the road running East on the South side of Turtle Creek, three chains North from the center of said section 32 the distance being two miles and 7.70 chains.

Survey made Nov. 7th 1873 according to the true Meridian. Variation of the needle 6 $\frac{1}{2}$ °. Henry Tuttle, Surveyor

We the undersigned commissioners of Highways in the town of Clinton do hereby order and determine that a highway be laid out according to the above survey four rods wide.

Given under our hands this 9th day of Dec. 1873.
