

Order for Laying out a Road July 14th 1853

We, the undersigned Supervisors of the town of Fulton County of the State of Wisconsin do hereby certify that we, on the application of six or more freeholders and residents of said town asking for the laying out of a public highway in said town, caused notices in writing to be posted up in three of the most public places in said town fixing therein the time when and the place where we would meet to decide upon the aforesaid application and also specifying in said notices in writing to be posted up in three of the most public places in said town, fixing therein the time when and the place where we would meet to decide upon the aforesaid application, and also specifying in said notices as near as practicable the road proposed to be laid out and the several tracts of land through which the same might pass, which notices were posted up at least ten days before the time fixed therein for said meeting, and we do further certify that being fully satisfied by the affidavit of one of the applicants that all the notices required by law to be given to occupants were given pursuant to Statute. We on this fourteenth day of July A.D. 1853, it being the specific time in said notices for said meeting, met at the hour and place therein named and proceeded personally to examine said proposed highway, heard all the reasons for and against laying out the same, and decided that said proposed highway was necessary and proper. We do further certify that thereupon we caused an accurate survey to be made of said proposed highway which survey is as follows, to wit: Beginning on Section 3 in the town of Fulton at an oak stump in a public road running by A. Collins near the North East end of a Bridge across the Creek on said Sec. 3 and running thence N. 37° W. 14 chains, thence N. 9° W. 16 chains where it intersects a highway running from the County line to the Depot Grounds of the Milwaukee & Mississippi Rail Road Company. And now therefore we the supervisors aforesaid in and for said town of Fulton, do on the 14th day of July A.D. 1853 order and declare the above described highway to be a public highway four rods wide, and we do further order the same to be kept open as such pursuant to Statute.

In witness where of we have hereunto set our hands this 14th day of July A.D. 1853.
