highway proposed to be discontinued by serving them each personally with such notice and had also been posted up in three public places in said town the days before the time of our said meeting in the manner required by law; we did then and there proceed to examine personally said highway and hear any and all reasons that was offered for or against discontinuing the one now used or the laying out of a new one and did decide upon such application and it being the opinion that the public good will be thereby promoted, did then and there decide to discontinue such present highway and did decide to lay out such new one as herein after described:

Now therefore pursuant to said application we the said supervisors do hereby order and determine that a highway be and the same is hereby laid out in said town as follows to wit: Commencing on the Section line between Sections 2 and 11 in said town and on the East line of J. Abblett's land and running thence East on said section line till it intersects the section line between Sections 1 and 2, and 11 and 12, and the same is hereby laid out on each side of said section line of the width of one and one-half rods and the present highway running from the East line of said J. Abblett's land to the highway running North and South between Sections 1 and 2 be and the same is hereby discontinued.

A survey of said highways is deemed by us to be unnecessary, but we would respectfully refer to and make a part of this our order, a certain drawing found on the petition of said freeholders.
