To the Honorable Board of Supervisors of the Town of Janesville:

We the undersigned residents and freeholders of the Town of Janesville would petition you to change that part of the public road running East and West, now on the South side of Section 2 and near Section 11; commencing on the section line between Section 2 and 11 on the East line of J. Abblett's land and now running North a few rods; thence North of East to where it joins the North and South road between Sections 1 and 2 and about 16 rods North of the corners of Sections 1, 2, 11 and 12, the same being on lands now owned by J. Abblett, Mrs. Katherine Holleran, and John McDermott so that it will run on the section line between 2 and 11, thus making all of the public road between Section corners 2, 3, 10 and 11, and Section Corners 1, 2, 11 and 12 run on the line between on or on the section line of Sections 2 and 11 believing that it would be a great benefit and convenience to all.
