where as upon application of fourteen freeholders residing in said town of Spring Valley for the laying of a highway which said proposed highway is set forth and described in said application as follows: Beginning at the South west corner of Section nineteen (19) of said town and running thence East on the Section line, between Sections 19 and 28, to the point when a public highway now running North and South crosses the said Section line on the South line of the South East quarter of the South west quarter of said Section twenty one (21) we the undersigned Surveyors of said town did on the 30th day of August 1900 at 10 o'clock in the forenoon of said day at the house of Mrs Carrie Kelsey it being the time and place fixed by us in said notice and having first been satisfied by due proof that the notice aforesaid had been duly given five days previous to the time of our said meeting to all the occupants of the land through which such highway may pass by serving each of them personally with such notice, or by copy thereof or left with or at the usual place of abode of each occupant of said lands, and had also been posted up in three public places in said town ten days before the time of our said meeting, in the manner required by law. We did then and there proceed to examine personally said highway, and did hear any and all reasons that were offered for and against laying out the same and it being our opinion that the public good will here by be promoted, did decide to lay out such highway as here-in-after described.

Now therefore pursuant to said application, we, the said Surveyors do hereby order and determine that a highway be and the same is hereby laid out in said town as follows, to wit: Beginning at the South west corner of Section nineteen (19) of said town and running thence East on the Section line between Section 19 and 30 20 and 29 and 21 and 28, to a point where a public highway now running North and South crosses the said Section line on the South line of the South East quarter of the South west quarter of said Section twenty one the same being and accurate survey of said highway caused by us to be made. The line of said survey is the center of said highway and the same is laid out of the width of 5 rods, given under our hands this 8th day of September 1900.
