The undersigned did again meet at the adjourned time and place aforesaid and having further examination in the presents, hears any further reasons for and against said application and did decide upon such application; and it being our opinion that the public good will thereby be promoted did decide to alter such highway as here in after described. Now therefore, pursuant to said application we the said supervisors do hereby order and determine that said highway be and the same hereby is altered as follows to wit: Beginning at the west intersection of said above described highway with the highway running North and South on the west line of said quarter section 21 by laying the traveled track or road on the North side and the ditch on the South side and proceeding eastward from said point to a point on a line with the East line of Andrew Everson's property, at which point the ditch continues to remain as it now is, on the North side of said highway; and also to build if necessary a culvert at this point and otherwise alter said highway as to make it passable throughout its entire length. Given under our hands this 10th day of August 1915.
