We Commissioners of Highways for the Town of Turtle hereby certify that we met at the house of R. W. Scenks in said town on Saturday October 31st A.D. 1846 at half past ten o'clock A.M. and upon being satisfied that notice had been given as the law requires of our meeting at such time and place of the purpose of examining the ground on a line petitioned to be laid out as a highway by P. Smith and six others known to us to be freeholders in said town. We proceeded to examine the ground on the line petitioned for and cause a survey of the same to be made as follows:

Commencing on the section line between Sections 25 and 26, 160 rods North of the South line of said section Town 2 North of Range 13 East in Wisconsin Territory; thence bearing North 1½ miles to the corners of Section 14 and 23 and 24.

And we order that the above described line to be the center line of a highway four rods wide.
