It is ordered and determined by the said Supervisors that a highway be laid upon the line between the said towns or as near thereto as the convenience of the ground will admit, according to a survey thereof.

Commencing at a point on the line between the Towns of Turtle and LaPrairie where the highway crosses said line near the center of Section 3 in the Town of Turtle, and Section 34 in the Town of LaPrairie; thence running East on said town line to lands owned by the Chicago and Northwestern Railway Company; thence in a South-easterly direction along said land to the Creek Road so called and that the said town line be the center of said road until said road strikes the railroad lands; thence two rods from said railroad lands parallel with said railroad land to the Creek Road and that the said line as above described be the center of the said highway and the said highway be of the width of four rods.

And it is further ordered that the said highway be divided into two Road Districts as follows: The East half road District No. 10 of LaPrairie and the West half Road District No. 3 of Turtle. the above order is made in compliance with an order of commissioners bearing date January 28th, 1864. Said Commissioners having revised a former order of said Supervisors in which they refused to lay out said road. The Supervisors of Turtle and LaPrairie have been unable to agree as to the relative amount of damages each town shall pay and what amount should be awarded to W. H. Stark.
