

The present top surface of the dam is below the top surface of the foundation of the smoke stack of the Rock River Paper Company at the S. W. corner of said smoke stack. 39.111

The present top surface of the dam is below the top surface of the stone marked with a cross in the West face of the west wall of the North wing of the Rock River Paper Company's Building - said stone being about seven feet south of the N. W. corner of said North Wing and near the present surface of the ground. 5.300

The heights are given in feet and decimals of a foot.

I hereby certify that the above is a correct copy of the levels by me taken, and of the deductions made therefrom and that the survey was made by me July 28. 1874

Edward Ruger
County Surveyor.

Recorded in the Register's Office of Rock Co. Wis., on the 10th day of July 1878. at 8 o'clock A. M. in volume 5. of Misc. on Page 449 &c
C. L. Valentine
