

Found stake & stones at corner as set by Locke - also found where witness tree stumps had been dug up - corner at the intersection of fences.

The above is a record and plat of a Survey made by me on Sec. 8. Spring valley - April 30 & May 1st 1879 - Locke & Church had subdivided this section under the state law, fixing the center equi-distant from the opposite corner - founding quarter correct - I established the center at the point of intersection of right lines between the corner founding quarter corners.

Edward Ringer  
County Surveyor,
