

Ice Age Connector Multi-use Trail

Rock County Parks Division

Scale
1" = 2000'

This trail is about 3.7 miles of former railroad owned by the WI Department of Transportation. The trail is leased to Rock County for 40 years starting 2002. Volunteers for the *Ice Age Trail Alliance* maintain the trail. The trail connects to the National Park Service's *Ice Age National Scenic Trail* presently routed through Milton.

The Ice Age Trail is pedestrian only.
The Ice Age **Connector** is multi-use.

For more information on the Ice Age Trail or the Rock County Chapter of the Ice Age Trail Alliance please visit:
