The Arrowhead Library System will assist job seekers by providing computer classes related to job searching, resume writing, on-line applications, and basic and advanced computer skills. Arrowhead will provide a Spanish-speaking computer trainer for a portion of the classes offered. Collaborating with the Janesville-based literacy tutoring program, The Literacy Connection, Arrowhead will assist in developing a math-literacy program for unemployed workers who lack skills to complete math tests needed for employment. Continuing education programs for the literacy tutors and library staff will provide information and develop skills for tutors and library staff. The library staff will improve their ability to assist The Literacy Connection tutors and other customers in finding materials and resources available at the libraries.
