EXECUTIVE SUMMARY

The Rock County Communications Center has applied for and been awarded a \$1,000 Pipeline Safety Education grant from Enbridge, Inc.

In 2011, the Rock County Communications Center began a billboard ad campaign to increase public education regarding utilizing 911 services. The main goal of this program is to inform the public of some of the things to expect when calling 9-1-1.

The \$1,000 Pipeline Safety Education grant from Enbridge, Inc. will allow the Communications Center to incorporate pipeline safety education into the billboard ad program.
