## **Executive Summary**

### **Amending the Sheriff's 2013 Budget to Use Wisconsin Department of Justice Funds for Training on Internet Crimes Against Children**

In September 1998, the U.S. Department of Justice began a national Internet Crimes Against Children (ICAC) Task Force program to counter the emerging threat of offenders using the Internet or other online technology to sexually exploit children. Wisconsin's ICAC Task Force is administered through the Wisconsin Department of Justice's Division of Criminal Investigation.

The Sheriff's Office received a \$1,500 check, in late 2012, from the Wisconsin Department of Justice. The accompanying letter from Attorney General J.B. Van Hollen instructed that the funds were to be used exclusively for ICAC training to further enhance the task force's efforts to protect children.

The funds were held in the balance sheet account, Revenue Collected in Advance, until a training opportunity became available. This resolution amends the Sheriff's 2013 budget to make the funds available for training.
