**Amending the 2014 Human Services Department Budget
To Accept Funding for Juvenile Early Intervention Services**

Executive Summary

The Wisconsin Department of Corrections (DOC) has awarded the Department \$87,415 in juvenile justice early intervention funds for early intervention services for juveniles at risk of juvenile justice system involvement.

The Human Services Department first implemented a Juvenile Diversion School Resource Program in 2010 to target the reduction of school-based arrests, suspensions and expulsions. The Department partners with both the Beloit and Janesville School Districts and employs a Juvenile Diversion Specialist in the middle schools to work with at-risk youth.

This new funding will be directed, as approved by DOC, to both the Boys and Girls Club of Janesville and the Stateline Boys and Girls Club to build on this program by providing after school pro-social activities to youth in the School Resource Diversion Programs. After school programming for these at-risk youth is critical to keeping them from entering the juvenile justice system.
