Amending the 2013 Developmental Disabilities and Human Services Department Budgets for the Family Support Program

1 **WHEREAS**, the Children’s Long Term Support waiver program (CLTS) makes Medicaid funding

Executive Summary

Amending the 2013 Developmental Disabilities and Human Services Department Budgets for the Family Support Program

The Children's Long Term Support waiver program (CLTS) is a relatively new program that provides Medicaid funding for children who fall into three separate groups: Developmental Disabilities (DD), Physical Disabilities (PD), and Severe Emotional Disabilities (SED). The DD Board has served the children with DD, and HSD has served the children with PD and SED.

The State views CLTS as one funding source. The State and Rock County discovered that the separate administration creates unnecessary administrative problems when children fall under both the DD target group and another target group, or moves in/out of the various target groups. Furthermore, in June, 2012 a State contracted agency (Compass/Threshold) began the screening of children with severe disabilities – regardless of their target group – for placement on a consolidated waiting list for services. Thus, for purposes of administering funds and reporting to the state, Rock County's bifurcated program does not work well.

The DD Board and the HSD agreed that it was best to merge the CLTS program under the HSD budget in 2013. The County Administrator recommended the change, which is included in the 2013 Budget adopted by the County Board.

It became clear as staff began merging the program that a small ancillary funding source known as Family Support should also have been moved to the HSD budget. The Family Support program pays for individual services and supports for a child with substantial limitations regardless of their target group. It does not make sense to run the funding through the DD Board and make journal entries to move the funds as they purchase needed services or goods for children. Thus, the DD Board, HSD and the State agree that the 2013 County Budget should be modified to move Family Support under the HSD.

In order to fix the problem, the State agrees that it will redirect the Family Support funding in the State/County Contract to the HSD. This resolution creates the budgetary authority for the HSD to accept and expend the Family Support funding for the children who are eligible for those services.

Executive Summary

Retaining Architect for Design Services Relating to Replacement of the Roof on the Jail

The resolution before you hires Beilman Architects for design services relating to replacement of the 28 year old roof on the Jail. Roof leaks have increased in recent years and repairs made have not been very successful. Membrane roofs have evolved over the years with development of better adhesives for vertical parapet wall applications. Membrane roofs today carry a warranty of 20 years and can last 40 – 50 years.

The cost to replace the roof is estimated to be about \$280,000.00. The project will be out for bid by April, so work can be completed in the May/June timeframe.

URGING STATE OF WISCONSIN TO RESTORE VICTIM/WITNESS FUNDING

EXECUTIVE SUMMARY

The rights of crime victims are protected under both the Wisconsin Constitution and Chapter 950 of the Wisconsin Statutes. These provisions require counties to provide certain services to crime victims and witnesses and provide a sanction of \$1,000 per violation if the District Attorney intentionally fails to provide victims with the rights enumerated under Chapter 950.

The Rock County Victim/Witness office is part of the District Attorney's Office staffing and is included in the Rock County Budget. Chapter 950 allows counties to receive up to 90% of Victim/Witness program associated costs, including salaries, benefits, overtime, staff training, equipment, and contractual services. The reimbursement is contingent on counties providing numerous victim and witness services. The most common services provided under the auspices of this program are escorts to and from court, providing a safe and secure waiting place before and after testifying, conferring with prosecution, providing notification of all court hearings, ensuring a victim's right to make statements to the court, and assisting victims with receiving restitution from financial losses suffered as a result of the crime.

Over the years, the percentage reimbursement to counties has gradually decreased, but slowly enough to allow District Attorneys to make adjustments in the office budgets without sacrificing mandated services. However, the 2011-13 state biennial budget reduced the spending authority for all three funding sources by 10% (General Purpose Revenue [GPR], Penalty Surcharge, and Victim/Witness Surcharge). In addition, in Fiscal Year 2012, \$450,000 was lapsed from the Victim/Witness Surcharge and \$66,000 from GPR. This had the effect of reducing the Rock County reimbursement rate from 61.25% for January through June of 2011 to 40% for the period July through December 2011. This drastic reduction in the reimbursement rate caused a budget shortfall in the District Attorney's budget that fell upon Rock County as another unfunded mandate.

If the significant reduction to Victim/Witness reimbursement rate is not remedied, District Attorney options are either to eliminate staff, jeopardizing their ability to fulfill the state mandated duties, or the County will have to provide property taxpayer funds to make up the difference.

Rock County urges the State of Wisconsin to restore the Victim/Witness Program to a minimum of 60% of eligible costs.

**INITIAL RESOLUTION AUTHORIZING GENERAL OBLIGATION
BONDS AND/OR NOTES IN AN AMOUNT NOT TO EXCEED \$3,630,000
PAGE 2**

FISCAL NOTE:

The purpose of this resolution is to authorize expenditures from the 2013 deferred finance budget appropriations prior to actual debt issuance. The 2013 budgeted capital projects are estimated to cost \$3,629,466 (plus issuance costs) for Highway Road Construction Capital Projects. If the County adopts this resolution, the project costs and issuance costs will be included in a subsequent resolution that authorizes the issuance of General Obligation Bonds and/or Notes.

1993 Wisconsin Act 16 (the State Budget Bill) established property tax levy rate limits for Wisconsin Counties, beginning with the 1993 payable 1994 levy. The Wisconsin Department of Revenue's Administrative Rules authorize an increase in the debt levy rate under certain conditions, including resolutions authorizing debt issuance that are adopted by affirmative vote of at least three-fourths of the members of the County Board. The County Board may also approve the issuance of debt by adopting a resolution which provides a reasonable expectancy that the new debt will not cause the County to increase its debt levy rate. It is my opinion that the debt amortization that would be incurred upon issuance of debt for the projects included in this resolution would not exceed Rock County's debt levy rate as limited by Wisconsin Act 16.

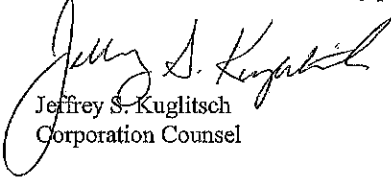

Sherry Oja
Finance Director

LEGAL NOTE:

This is only an initial resolution. Pursuant to sec. 67.05(10), Stats., the County Board, before issuing any contemplated long-term debt, must adopt a resolution levying a direct, annual tax sufficient in an amount to pay for the express purpose of paying the interest on such bonds as it falls due, and also to pay and discharge the principal thereof at maturity. That will happen at a later date.

A majority vote is necessary to adopt this resolution. However, a three-fourths vote of the "members-elect" would avoid any potential issue relative to the debt levy rate limit.
