EXECUTIVE SUMMARY

AUTHORIZING TEMPORARY DOUBLE FILL OF AIRPORT SECRETARY II POSITION

Mrs. Cynthia Hevel has been an outstanding and dedicated Rock County employee for 27 years. For the past 23 ½ years, she has been the glue that holds the Southern Wisconsin Regional Airport together. As the Airport Specialist and recent position description change of Secretary II, she is typically the main focal point of all tenant interaction. She coordinates all of the airport's financial invoicing, payment collections, and budget projections. She handles all of the new lease agreements and T-Hangar rental agreements. She maintains all of the FAA Part 139 training documentation, Airport Compliance Manual updates, and prepares all records for annual inspection. She manages the deer and turkey hunting program. She maintains the airfield driver training program records. She operates the snow control desk during snow removal operations and communicates with tenants about field conditions. She issues Notices to Airmen as appropriate and coordinates with the Control Tower. Additionally, she manages the conference room reservation system with multiple users, prepares Airport Board agendas and minutes, answers telephones, collects mail, coordinates with team members, and other tasks as assigned.

Cynthia's experience and knowledge of airport operations will surely be missed. She has done a great job communicating her retirement intentions for more than a year. A request was made last summer to increase administrative payroll funding to allow some overlap between Cynthia and a new person. Four weeks of administrative funds were approved in the 2021 budget. The new hire won't be at Cynthia's level even with 4 weeks of overlap, but it will be much better than no overlap at all.

Recommend approving.

Respectfully submitted,

Gregory A. Cullen, CM
Airport Director
