Facilities Management
Facilities Maintenance

Greetings Neighbors,

Rock County has developed a master plan for Fairgrounds site improvements. We are currently planning to tear down a couple of barns and build a new Craig Center and restroom facilities in its place. We will also replace the grand stand bleachers and move the location for the new bleachers to improve noise control. We will add some onsite parking and a food pavilion. We will also move an access road to improve fire truck access. The master plan is not completely finalized. We would like to get the surrounding neighbors input before we finalize the plan. This will allow us to make changes and adjustments to the plan before we submit any project approval requests to the City of Janesville Plan Commission.

In an effort to obtain your feedback we have scheduled a neighborhood informational meeting to be held in the Craig Center on the fairgrounds property, January 22, 2019, at 6:00 pm. If you are not able to make this meeting and would like to give some feed-back, please feel free to call me at 931-1823.

Thank you,

Brent Sutherland
