## **EXECUTIVE SUMMARY**

Authorizing Purchase of Two 72" Mowers for Use  
at New Property - 5801 North River Road, Janesville, WI

On March 10, 2022, the County Board approved funding for the new park located at 5801 North River Road in Janesville. Part of the funding that was approved at this time was for Capital Purchases. With the use of those funds, the Parks Department is wishing to purchase two new Kubota zero turn mowers to be able to mow and maintain this new park area. We have utilized the bid price from Sourcewell purchasing group to help expedite this process given the need to mow this property sooner than later.

Respectfully submitted,
