On November 19, 2022, around 2:20 a.m., the Wisconsin State Patrol attempted to stop a vehicle for speeding. The driver, later identified as Christopher R. Miller, crashed into a traffic light in Janesville and continued driving until the vehicle became disabled on Interstate 39/90 near Avalon Road. At that time, Miller exited the vehicle and fled on foot and to our knowledge has not been seen or heard from since.

On November 21, 2022, the Sheriff's Office received information from Miller's family that they have not had contact with Miller since the incident and that he could be missing. After receiving this information, the Sheriff's Office in collaboration with the Wisconsin State Patrol and the Wisconsin Department of Natural Resources started searching the area for Miller. After an extensive search of the area, including fixed-winged airplanes, drones, UTVs/ATVs, and personnel searching on foot, Miller has still not been located. If you have any information on the whereabouts of Miller, please call the Rock County 911 Communications Center non-emergency line: 608-757-2244.
