URGENT MEMORANDUM

DATE: January 18, 2023

Dear Rock Haven Community Members,

As of January 9, 2023, no residents have tested positive for COVID-19.

As of January 9, 2023, three additional employees have tested positive for COVID-19. They are following isolation orders from the facility as directed by the CDC.

Due to the spread of the infection, we strongly recommend that all visitors wear a mask and use hand hygiene before entering and leaving the building. Best practices for protecting ourselves and our loved ones from COVID-19 include hand washing and wearing a mask.

Residents are isolated from other residents to prevent the spread. Advanced PPE (personal protective equipment) has been put into place.

The community transmission level remains high currently. We must continue to protect our vulnerable residents. We continue to follow CMS and CDC guidelines. Visitors will continue to be screened prior to entry into the facility. If you are ill, please postpone your visit until you are well.

Regards,

Chelsea Phillips
