FOR IMMEDIATE RELEASE

February 22, 2023

Due to the anticipated duration and severity of this ice storm, the Rock County Highway Department will maintain all normal 24-HR Routes (I-39/90, I-43, USH 14, STH 26). Winter maintenance on all other routes will be stopped at 8:00 pm tonight (Wednesday) and will begin again at 2:00 am tomorrow (Thursday).

Wednesday PM through Thursday AM: Travel is strongly discouraged with conditions being extremely icy and potentially impassable.

Depending on the actual duration and track of the storm, these conditions could extend later into the day on Thursday. Winter maintenance efforts will be ongoing throughout the day on Thursday and may extend into Friday.
