Executive Summary

Authorizing the Human Services Department to Enter into a Contract with a CLTS Provider

The Human Services Department (HSD) is requesting authorization to enter into contract with Full 360 for an amount up to \$250,000. The contract is for services rendered in the Children's Long Term Support (CLTS) program for which expenses are fully funded by the State through a Third Party Administrator.

Children's Long Term Support is program that helps children with disabilities and their families through supports and services that help children grow and live their best lives. It is a home and community based service waiver. It uses a Medicaid waiver to fund services for children with disabilities. A waiver lets states use Medicaid to fund additional non-medical services and supports not normally offered. The CLTS Program aims to keep children at home instead of at an institution.

In 2023, CLTS is expected to serve over 1,000 participants.

Services are authorized by County staff and funded by the State through a Third Party Administrator (Wisconsin Physicians Service, WPS). Service rates are either set by the State, when applicable, or the provider's Usual and Customary Rate.

Full 360 provides Community Integration Services, Daily Living Skills, Respite, Transportation, Mentoring, Personal Supports, Empowerment and Self-Determination Supports, and Family/Unpaid Caregiver Supports and Services to Rock County Clients.
