**EF – 0 Tornado in Beloit:
 Recovery Process Initiated - Request for Reports of Damages**

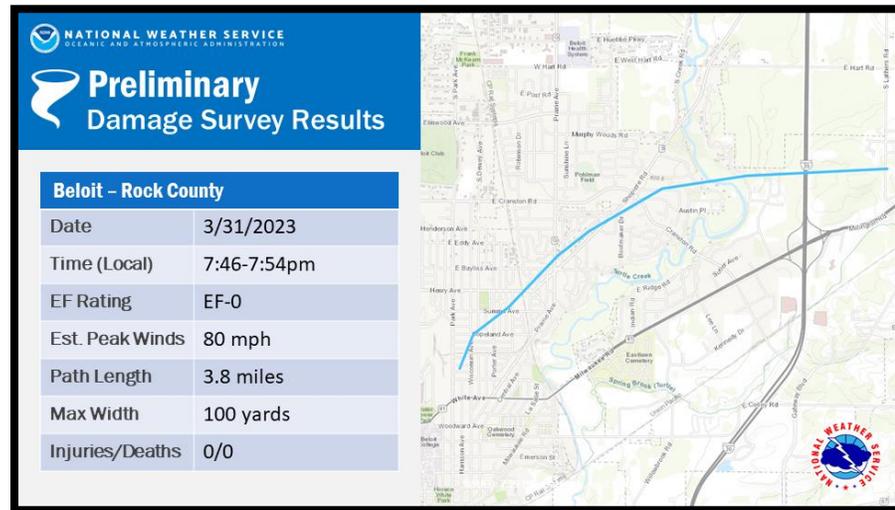

For Immediate Release

Date: 4.03.2023

Contact Person

Sgt. Kohler
 608-758-8403

The National Weather Service has confirmed that an EF – 0 tornado caused structural damage to the east side of Beloit during Friday's severe weather. The preliminary reports indicate the tornado was 100 yards wide and traveled 3.8 miles. Peak winds were estimated at 80 mph. There were no injuries reported.

Rock County Emergency Management has initiated the recovery process and is working closely with the City of Beloit Emergency Management to determine the extent of damages. The Rock County Emergency Operations Center has been activated virtually and Wisconsin Emergency Management has been notified.

Citizens in Beloit are encouraged to contact the City of Beloit Emergency Management to report any damages, Citizens outside of the city should report damages to Rock County Emergency Management.

City of Beloit Emergency Management:

Patti Miller, Emergency Management Coordinator
 Office: 608-364-5711
millerp@beloitwi.gov

Rock County Emergency Management:

Office: 608-758-8403
 Damage Reporting: emergmt@co.rock.wi.us
 Sgt. Kohler, Director of Emergency Management: kohler@co.rock.wi.us

Further information will be provided as we proceed through the recovery process.
