**MEDIA RELEASE**

**Slow-No-Wake Declared on Rock River**

**For Immediate Release**

Date: April 4, 2023

**Contact Person**

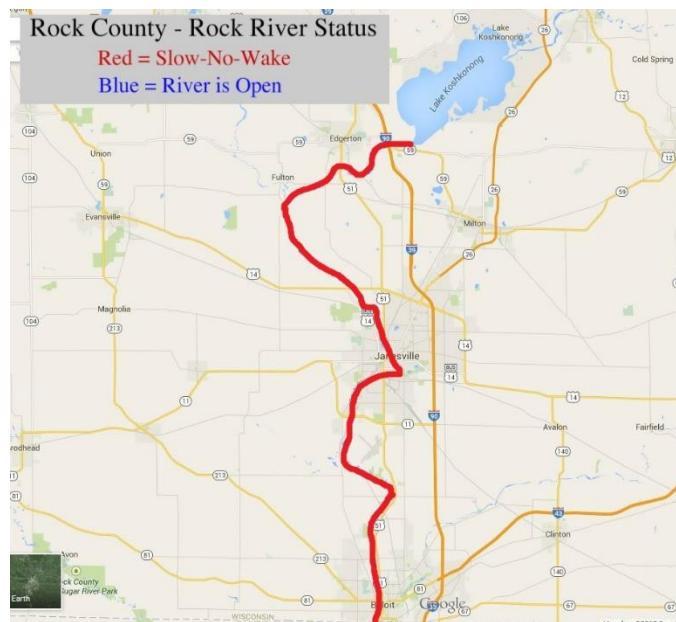

Deputy Terry Borgwardt  
 608-757-7941

According to the US Geological Survey Gauge in Afton, the water level for the Rock River is currently 8.60 feet. County Ordinance requires a slow-no-wake speed restriction be placed on the portion of the Rock River in Beloit between the W B R Townline Road Bridge and the Stateline when the water level reaches 8.50 feet or above.

The slow-no-wake restriction from W B R Townline Road Bridge to the Indianford Dam remains in effect. County Ordinance requires a slow-no-wake speed restriction be placed on this portion of the Rock River when water levels exceed 6.50 feet in Afton.

The slow-no-wake remains in effect for the portion of the Rock River between the Indianford Dam and Lake Koshkonong. The water level for Lake Koshkonong is 9.18 feet. County Ordinance requires a slow-no-wake speed restriction be placed on the portion of the Rock River between the Indianford Dam and Lake Koshkonong when water levels exceed 8.00 feet on Lake Koshkonong.

The Sheriff's Office is providing public notice of the Rock River's current slow-no-wake status for the entire river in Rock County from Lake Koshkonong to the Stateline. Deputies will begin placing slow-no-wake signs along the Rock River at all public access points between the W B R Townline Road Bridge and the Stateline.
