Rock County Board Chair Seeking Persons Interested in Serving on the Parks Advisory Committee

Rock County is seeking persons interested in serving on the Parks Advisory Committee. The Parks Advisory Committee is a three-member committee with the purpose of advising the Rock County Parks Division on parks related decisions. The committee will have two vacancies for the committee beginning on July 1, 2023. Appointed members will serve a 2-year term ending on June 30, 2025.

The Parks Advisory Committee meets once a month on the second Tuesday after the regularly scheduled Public Works Committee meeting. The committee is tasked to aid in decisions regarding a multitude of topics such as park and trail related items, Parks, Outdoor Recreation, and Open Space (POROS) Plan development, public relations, Friends Group communications and other general park matters. The role of each Parks Advisory Committee member is to communicate and provide correspondence to the Parks administration and to the Public Works Committee to aid in decision making for the Parks Department.

Rock County residents are encouraged to submit their interest to serve as a community representative on the Parks Advisory Committee by 8:00 a.m. on June 21, 2023, through the online portal on the Rock County website. The portal can be found at this link www.co.rock.wi.us/residents/join-a-committee or by clicking on "Residents" at the top of the County's website and following the link to join a committee. This portal can be used by residents to express their interest in serving on any County committee that has community representatives.

Any questions can be directed to John Traynor, Rock County Parks Manager, at john.traynor@co.rock.wi.us.
