Rock County Board Chair Seeking Persons Interested in Serving on the Southern Wisconsin Regional Airport Board

Rock County is seeking community members to join its Airport Board. The Airport Board is the governing body to establish policy for the Southern Wisconsin Regional Airport. The Airport Board establishes airport minimum standards, monitors expenditures with budget oversight, recommends Capital improvements, and provides strategic guidance to the Airport Director. They will also make recommendations to the County Board of Supervisors. The Airport Board has nine members comprised of three County Board Supervisors and six community members. Ideal board member candidates should have backgrounds with aviation, civil engineering, civil law, real estate, tourism, marketing, construction, or other experiences important for the growth of the airport. The Airport Board currently meets monthly on the third Monday at 8 a.m. at the airport with a virtual option to attend.

Individuals are encouraged to submit their interest to serve as an Airport Board member by 8:00 a.m. on January 2, 2024, through the online portal on the Rock County website. The portal can be found at this link www.co.rock.wi.us/residents/join-a-committee or by clicking on "Residents" at the top of the County's website and following the link to join a committee.
