No titles are permitted. In addition, names such as “Red” or “Skip” are permitted, but names which have an apparent electoral purpose or benefit, such as “Lower taxes,” “None of the above” or “Lower Spending” are not permitted. It is also not permissible to add nicknames in quotes or parentheses. For example, John “Jack” Jones or John (Jack) Jones are not acceptable, but John Jones, Jack Jones or John Jack Jones are acceptable.

INSTRUCTIONS FOR PREPARING NOMINATION PAPERS FOR NONPARTISAN OFFICE

This is a sample nomination paper form. It conforms to the statutory requirements for nomination papers for nonpartisan office. All information concerning the candidate must be completed in full before circulating this form to obtain signatures of electors. All information concerning the signing electors and the circulator must be completed in full before filing with the appropriate filing officer. This form may be reproduced in any way. A candidate's picture and biographical data may also be added to this form. The Wisconsin Elections Commission has determined that no disclaimer or other attribution statement is required on nomination papers. Candidates are advised to send a sample of their completed form the filing officer for review before circulation.

Page Numbers – Number each page consecutively, beginning with “1”, before submitting to the filing officer. A space for page numbers has been provided in the lower right-hand corner of the form.

Candidate's Name - Insert the candidate's name. A candidate may use his or her full legal name, or any combination of first name, middle name, and initials or nickname with last name. The Wisconsin Elections Commission has determined that, absent any evidence of an attempt to manipulate the electoral process, candidates are permitted to choose any form of their name, including nicknames, by which they want to appear on the ballot.

No titles are permitted. In addition, names such as “Red” or “Skip” are permitted, but names which have an apparent electoral purpose or benefit, such as “Lower taxes,” “None of the above” or “Lower Spending” are not permitted. It is also not permissible to add nicknames in quotes or parentheses between first and last names. For example, John “Jack” Jones or John (Jack) Jones are not acceptable, but John Jones, Jack Jones or John Jack Jones are acceptable.

Candidate's Address – Insert the candidate's residential address (*no P.O. Box addresses*) and the municipality for voting purposes. Indicate if the municipality of residence is a town, village, or city. If a candidate's mailing address is different from the residential address or voting municipality, a complete mailing address must also be given.

Date of Election - Insert the date of the election. If the nomination paper is being circulated for a spring election, the date is the first Tuesday in April. If the election is a special nonpartisan election, the date of the special election must be listed.

Title of Office - The name of the office must be listed **along with any branch, district, or seat number** (if applicable) that clearly identifies the office the candidate is seeking. If necessary, the name of the jurisdiction that identifies the office, such as Dane County Circuit Court Judge, Branch 3, must also be listed.

Name of Jurisdiction - The nomination papers must also indicate the municipality or jurisdiction in which the signing electors are qualified to vote, as it relates to the office sought by the candidate named on the nomination paper. For example, for a statewide office the jurisdiction is the State of Wisconsin. Others may be the county, town, village, city, aldermanic district, school district, or town sanitary district, as required.

Signatures and Printed Name of Electors - Only qualified electors of the jurisdiction or the district the candidate seeks to represent may sign the nomination papers. Each signer must also legibly print their name. Each elector must provide their **residential** address (*no P.O. Box addresses*), including any street, fire or rural route number, box number (if rural route) and street or road name, and municipality of residence. A post office box number alone does not show where the elector actually resides. The name of the Municipality of Residence must be listed for each signing elector and must clearly identify the town, village or city where the elector's voting residence is located. The date the elector signed the nomination paper, including month, day and year, must be indicated. Ditto marks that follow correct and complete address or date information are acceptable. The circulator may add any missing or illegible address or date information before the papers are filed with the filing officer.

Signature of Circulator - The circulator should carefully read the language of the *Certification of Circulator*. **THE CIRCULATOR MUST PERSONALLY PRESENT THE NOMINATION PAPER TO EACH SIGNER. THE NOMINATION PAPER MAY NOT BE LEFT UNATTENDED ON COUNTERS OR POSTED ON BULLETIN BOARDS.** The circulator's complete residential address including municipality of residence must be listed in the certification. **After** obtaining signatures of electors, the circulator must sign and date the certification.

Other Instructions - Candidates and circulators should review Ch. Wisconsin Elections Commission §§ 2.05, 2.07, Wis. Adm. Code.

- *Original* nomination papers must be in the physical custody of the appropriate filing officer by the filing deadline. A postmark on the filing deadline is **NOT** sufficient. Nomination papers **CANNOT** be faxed to the filing officer. Ch. Wisconsin Elections Commission § 6.04(2), Wis. Adm. Code.
- Nomination papers with the required number of signatures must be filed with the appropriate filing officer **no later than 5:00 p.m.** on the first Tuesday in January (or the next day if the first Tuesday is a holiday) before the spring election. Special elections may have different filing deadlines. Check with the filing officer.
- In order for a candidate's name to be placed on the ballot, a candidate must file a *Campaign Registration Statement* (ETHCF-1), a *Declaration of Candidacy* (EL-162), and *Nomination Papers* (EL-169) containing the appropriate number of signatures for the office sought no later than the filing deadline. Wis. Stat. § 8.10(3). Candidates for state office and municipal judge must also file a statement of economic interests with the Wisconsin Ethics Commission by the third business day after the nomination paper filing deadline. Wis. Stat. § 19.43. If any one of these required forms is not filed by the deadline, the candidate's name will not be placed on the ballot. Wis. Stat. § 8.30.
- If a candidate or circulator has any questions, he or she should contact the filing officer.

Wisconsin Elections Commission: Nomination Paper Review Guidelines

Process Overview

- Use a red pen to mark up the petition during the review process.
- Circle any piece of information on the petition page that is missing or problematic.
- Make a red check to the right of the row to indicate a signature should not be counted.
- Make a red question mark (?) to note questionable signatures that have been counted or to note omitted information on signature line where that signature is still able to be counted.
- Write the number of signatures counted on the upper, right-hand corner of each sheet.

Step 1: Review the Header

Overview: The header of each petition page must contain all the required candidate information. If any of the required information is missing, or incorrect, no signatures on that page can be counted.

Required information:

1. Name of candidate
2. Residential address of candidate
 - a. Street number and street name (P.O. box addresses are not acceptable)
 - b. Municipality for voting purposes
 - c. State
3. Type of election
4. Election date
5. Title of office sought
6. Branch, district or seat number of office sought (if applicable)
7. Name of district in which candidate seeks office

Other information:

1. Mailing address (only required if different than residential address or voting municipality)
2. Zip code (may be present but not required)

Step 2: Review the Certification of Circulator

Overview: The Certification of Circulator section is completed after the signatures on that page have been collected. Each petition page must contain all the required circulator information, the circulator's signature and a certification date that is on or

after the latest date of a signer. If any of the required information is missing or incorrect, no signatures on that page may be counted. If missing circulator information can be determined from another section of the petition page, the signatures on that page should be counted. Most often this occurs when a circulator is also the candidate or has signed that page as an eligible elector.

Residency of Circulator: The circulator does not need to reside in the district represented by the candidate, nor do they need to be a resident of Wisconsin. All circulators must be otherwise eligible to register to vote in Wisconsin (18 years of age, U.S. citizen, not serving any portion of a sentence for a felony offense). They do not need to be registered to vote in Wisconsin or any other state to circulate nomination papers.

Required information:

1. Name of circulator - Signatures on the page should be counted if the circulator printed their name on the line meant for their signature.
2. Address of circulator
 - a. Street number, street name and municipality - If missing circulator address, including municipality, can be determined from another section of the petition page, the signatures on that page should be counted.
 - b. State and zip code are not required.
3. Date (month/day/year) – All signatures must be dated within the circulation period. No signatures should be counted on a page where any portion of the date is missing.
4. Signature of circulator – Signatures on the page should be counted if the circulator signed on the line that should have the printed name.

Step 3: Review the Body of the Petition

Required information:

1. Signature of elector
 - a. Signature does not need be legible.
 - b. Electors may sign with an "X" or other mark if that is their usual signature.
 - c. Signature does not need to be cursive.
2. Printed name of elector
 - a. A printed name must be present in addition to the signature of the elector.
 - b. If a possible printed name can be determined, the signature should be counted.

- c. If a printed name cannot be determined, the signature should be struck from the petition.

3. Residential Address

- a. Street name and street number or rural route are required.
- b. Rural address must also include box or fire number.
- c. P.O. boxes are only allowed if they are listed in addition to the residential address information. Signatures where only a P.O. box has been provided should be counted if the municipality of residence is entirely in the district. Mark with a question mark.
- d. Ditto marks are allowed if they follow a valid address and the signer is using those marks to indicate they also reside at that address.
- e. If all or part of the required address information of a signer is missing but residency can be determined by information found in another section of that specific petition page, that signature should be counted. This generally occurs when the signer is also the candidate and/or the circulator and the missing information is in the header or the certification section. Indicate on the petition page where that information is located.

4. Municipality of Residence

- a. Municipality listed must be within the district represented by the candidate.
- b. Abbreviations are allowed (e.g. "FDL" for Fond Du Lac or "Milw" for Milwaukee).
- c. Ditto marks are allowed if they follow a valid municipality and the signer is using those marks to indicate they also reside in the municipality.
- d. The Town/Village/City check box does not need to be checked.
- e. If the municipality of residence was provided in the Residential Address field, the signature should be counted.
- f. If the municipality information of a signer is missing but residency can be determined by information found in another section of that specific petition page (most likely in the header or the Certification of Circulator), that signature should be counted. Indicate on the petition page where that information is located.

5. Date of Signing

- a. A complete date includes the month/date/year.
- b. Date must be within the circulation period.
- c. Date must be on or before the date the page was certified by the circulator.

- d. Ditto marks are allowed if they follow a valid date and the signer is using those marks to indicate they also signed on the same date. If ditto marks are used for the date of the last signer, the signature can be counted if it follows a valid date.
- e. A missing date can be bracketed ([]) if valid and complete dates appear on the line above and the line below the signature line with the missing date.
- f. If the date of the first or last signer is incomplete, it cannot be bracketed, and that signature should not be counted.
