Welcome

Welcome and thank you for attending the Lathers Road Bridge Replacement Project Public Involvement Meeting. Mead & Hunt, Inc. has been selected by Rock County to provide design engineering services for the replacement of Turtle Creek Bridge in the Town of Turtle. We are completing the preliminary investigation. Your input today is essential in the planning and design for this project, so please feel free to ask questions or express your comments and concerns. A comment sheet is provided at the end of this packet.

Meeting Purpose

The purpose of this meeting is to gather public input, as well as to inform you about the proposed project. The meeting will be an open-house format.

Project Need and Scope

The proposed project is classified as a bridge replacement project of the Turtle Creek Bridge in the Town of Turtle. The proposed project consists of replacement of the existing 147-foot-long Turtle Creek Bridge. Other improvements include replacing the guardrail, clearing and grubbing, grading, right-of-way acquisition, shoulder work, filling outside toe of slopes, in-water work, and possible cofferdams/sheet piling. The project will be closed during construction, which will begin in 2027.

Public Involvement

Public input is an important part of the design process, and your comments are welcome. A comment sheet is provided at the end of this handout for your use. To become part of the public record, all comments should be postmarked no later than February 23rd, 2024.
